The InTouch App by Verso allows you to;

- View fund values
- View personal info
- Edit contact details
- Manage beneficiaries
- View benefit statements
- And more...

The InTouch mobile app allows clients of Verso Benefits Administrator exclusive access to their personal fund information. It allows them to view their fund values, access annual benefit statements as well as manage and update their contact details and beneficiaries, securely and easily from their mobile device.

**If you are already a registered user on the secure access site use your existing username and password for the mobile app.*

To secure a successful registration, your fund administrator must already be in possession of your mobile number. This information is to be forwarded to the fund via your Employer / HR Department, or alternatively using **intouch@verso.co.za** enclosing your cellular number and an image of your Identity Document.
